Lesson 4 – I can compare durations of time.

Activity 2 - TV Show Durations

Look at what time each TV show starts and ends. Can you work out how long each one lasts?
You might want to use your clock to help you. Which one is the longest?

TV Show	Started	Ended	Duration (How long?)
Paw Patrol	3 o'clock	Twenty to 4	
Larva Island	Half past 6	Five to 7	
Alvin and the Chipmunks	Quarter past 8	Five past 9
