Reception Weekly Overview
Monday 10th May - Friday 14th May 2021

What the Ladybird Heard—Julia Donaldson

We will continue with our work on this book. The children have enjoyed discussing the characters in the story, and this week we will find out more about farm animals.

Writing

We continue to encourage the children to write independently and to be confident to have a go. The focus is on using their phonic knowledge to hear and then write the sounds they need. We also teach the children to leave spaces in between their words.

This week, we will provide photos of them in school, and they can write captions and sentences to go with them.

Maths

This week, we are consolidating our learning about doubling and halving. We will do this practically using lots of resources, including Numicon.

Letters and Sounds

This week, we are learning the new digraph: **ai**

We will practise reading and writing words containing this sound, as well as the other sounds we have learnt.

Ramadan and Eid

This week, we will find out about Ramadan and Eid, and invite any children who are celebrating Eid to share their experiences with their friends.

If you are celebrating Eid this week: Eid Mubarak!
