

Lorraine Gerrard – Vice Chair of Governors

I have been a parent governor since November 2013.

I am a mum of three boys, all at Coleridge, who keep me very busy! Before motherhood, I worked as a Business Analyst in a software development team for a US investment bank and have a mild obsession with Excel spreadsheets! I enjoy taking on new challenges and feel very lucky to be part of this amazing, innovative and creative school that values each and every child.

I was delighted to become Vice Chair alongside Kath Howell in September 2016 as well as Chair of the Child & Community Committee. I have taken a particular focus on assessment/reporting and the school's performance data.
