

Sports Premium Funding 2016 – 2018

For the last three years, the Government has provided primary schools with an additional grant for improving the participation and attainment of pupils in P.E. and sports. At Coleridge Primary School, we are awarded **£11,200** annually for this purpose. This funding, which is ring fenced, is given directly to schools to use as they see fit for improving the quality of sport, P.E. and physical activity.

At Coleridge, we have always recognised the positive contribution of P.E. to the health and well-being of the children. As such, we strive to provide a varied P.E. curriculum - and an extensive range of extracurricular clubs - so as to positively influence the concentration, attitude and academic success of our students. We want all our children to leave Coleridge equipped with the knowledge, skills and attitudes required for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The purpose of this document is to make clear how Coleridge spends the **£11,200** that it receives, to achieve the vision described above.

To ensure that the money is used in such a way as to guarantee meaningful and lasting improvement, we have chosen to plan over a two year cycle. This means that Coleridge is committed to two years' worth of investment in the same objectives, doubling up the money to make sure that initiatives are deeply embedded and that practices and cultures are properly established. This document is therefore 'live' and actions and evaluations for the academic year 2017/18 will be added in due course.

The spending of the Sports Premium is overseen by the Head Teacher and the Resources Committee of the school's governing body.

In the event of an Ofsted Inspection, inspectors will assess how effectively leaders at the school use the Sports Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this.

Objective	Actions 2016-17	Cost	Evaluation of Impact	Actions 2017 - 18	Cost	Evaluation of Impact
Develop a progressive PE curriculum across the school.	<p>Use of the Val Sabin Scheme in conjunction with programme of skills developed by Jules Preston.</p> <p>Jess Keen employed to write a series of dance lesson plans to be used across the school.</p>	£450	Skills are taught progressively across the school. Teachers are clear on the PE objectives that need to be covered for each year group and the lesson plans give teachers activity ideas.	The current scheme is currently being revised for 2017/18 school year. It will include a combination of the existing Val Sabin scheme and other schemes sourced from a variety of sports organisations.	£500	
Develop the use of sports coaches inside school hours so as to improve provision for children and help expose them to a wider variety of sports.	<p>Outside sports coaches to work with different year groups across the school:</p> <ul style="list-style-type: none"> -London Skolars – tag rugby -Coolhurst – tennis and squash -Gymnastics coach – Juliette Tive-Hive -Dance – Jess Keen -Cricket 	<p>£500</p> <p>£4000</p> <p>£1100</p> <p>£350</p> <p>£600</p>	Children enjoy having the opportunity to participate in a range of different sports. These sessions develop a variety of skills as well as giving the children the chance to take part in games or performances.	Continued involvement of these sports coaches and expansion of their sports in school. New sports to be introduced such as Gaelic football and handball.	£7000	

<p>Improve teachers' confidence and subject knowledge through INSET and joint practice with specialist coaches.</p>	<p>PE specialists and coaches to work with teachers over a series of lessons. Focus sports will be tennis, gymnastics and dance.</p> <p>Newly Qualified Teachers (NQTs) to have training with a specialist PE teacher.</p>	<p>£1300</p> <p>£0</p>	<p>Evaluations show that teachers have been very positive about the training they have received. After the sessions, they have been able to use ideas and activities in their own lessons.</p> <p>NQTs reported feeling more confident after receiving training and said they could use the skills based activities in a range of different sports.</p>	<p>To continue to provide PE training for staff through joint practice sessions, INSETs and courses. Areas of PE include Gaelic football, basketball, dance, gymnastics, tennis and handball.</p>	<p>£1750</p>	
<p>Purchase equipment to facilitate the teaching of, and participation in, newly introduced sports and physical activities.</p>	<p>To purchase games equipment for independent use at lunch times and playtimes.</p> <p>-Additional table tennis tables to be put in the Junior playground.</p> <p>Equipment to be purchased for EYFS.</p>	<p>£1000</p> <p>£1650</p>	<p>Equipment for playground use has created a culture which promotes independent participation in physical activities.</p> <p>New, better quality equipment has also ensured that all children can fully participate in lessons.</p>	<p>More equipment to be purchased for the playground and EYFS. Quality tennis racquets to be purchased.</p>	<p>£2000</p>	
<p>Development of extra-curricular opportunities for all children to engage them in physical activity, sports and PE.</p>	<p>Continue to fund the existing provision and more opportunities. Jess Keen to run an EYFS dance club. Mario Vitrano, Jason Bichri and Chris Grieve to continue to run clubs including table tennis,</p>		<p>We currently have a large number of extra-curricular sports which are run by both Coleridge staff and outside sports specialists.</p>	<p>Continue to fund the existing provision and look for opportunities to extend the lunchtime provision.</p> <p>Survey children to ascertain reasons for non-participation in sporting clubs to date and</p>		

	athletics, tennis and American football. Philip Campbell to run a running club and also a gross motor skills club.			which alternative clubs might engage them.		
Increase participation in competitive sports both with other schools and within our own.	To have an inter-class competition during Healthy Living Week. To continue to regularly take sports team to Haringey competitions.	£300	We have numerous teams that play inter school competitions including netball, football, athletics, cross-country, tag rugby, tennis, dance and gymnastics. The children involved really enjoy participating and have also been very successful.	PE team to further develop a programme of inter house sports activity which celebrate participation, team work and achievement.		
Further develop links with the local community.	Continue to develop links with local tennis club, rugby club and gymnastics coach.		We continue to develop links with a range of sports organisations including: -London Skolars – tag rugby -Coolhurst – tennis and squash -Gymnastics coach – Juliette Tive-Hive -North London Shamrocks – Gaelic football -Premier Sport – handball -Perform.or.uk – dance	Explore developing links with other sports clubs and coaches for example handball and basketball.		
Further link healthy living with exercise and nutrition.	Healthy Living Week to take place in the summer term.		Children are very aware about what makes for a healthy lifestyle both in terms of food and keeping active.	Healthy Living Week to continue to happen. PE team to discuss and look into improving further. PE team to also look into classes		

Coleridge Primary School

Learners for life

RESPECTFUL, RESILIENT, REFLECTIVE, ASPIRING, CARING AND CONSIDERATE

	Healthy living to be discussed with the children throughout the school. Children to eat healthy school dinners and packed lunches.			doing 5 minutes exercise a day.
