

English

Activities & Games!

We will be reading lots of books about toys. Here are some activities you can do at home:

- Go to the library and find a book about toys. Read the story with a grown up.
- Design a new cover for your chosen story. Think about which characters you want to include.
- Make your own comic strip about the story.
- Write your own toy related story, you might want to use your book for inspiration.

Handwriting

We are continuing to practise upper and lower case letters this term.

Make an alphabet mat that has both the upper and lower case letters like this:

Phonics fun

Play a phonics game on the computer. Choose the phase 3 sounds and see how many words you can read.

Picnic on Pluto - can you sound out the words and feed Obb and Bob.

Picture Match—read the word and match it to the picture.

Poetry...

Learn a poem!

We will be learning some poetry this term.

Can you find a poem that you would like to learn and perform to the class? You may want to borrow some poetry books from the library. Can you think of some actions to go with the poem?
