

# Weekly Overview - Monday 5th February - Friday 9th February 2018

Here is an overview of some of the activities that will be happening this week.

## **Bedtime For Monsters**

The children have been really inspired by this book! We will continue to focus on it this week, talking about the end of the book in more detail, and encouraging the children to develop and communicate their own ideas and opinions on the book.

## **Maths**

This week we will be practising recognising numbers 10 –20, using Numicon and playing games. We will also look at various pictorial representations of these numbers, to help develop the children's understanding of their values.

## **Letter and Sounds**

This week we will be learning the sounds:

**W (web) and y (yes)**

We are also playing lots of games to practise blending simple words, e.g: c-a-t = cat. We encourage the children to repeat the sounds, getting a little faster each time, until the sounds blend together and they can hear the whole word.

On your child's reading day this week, please look out for an individualised game to play at home over the half term break to practise the letter sounds or high frequency words we are currently focusing on with them.

## **Half – term**

School will be closed week beginning 12th for the half-term holiday. We return to school on Monday 19th February.

We hope you all have a good break!
