

# Year 4 Weekly Overview

This page aims to give information about the subject areas that your child will be covering in their classes and in their English and Maths sets.

This information is for the week commencing: **Monday 4th June.**

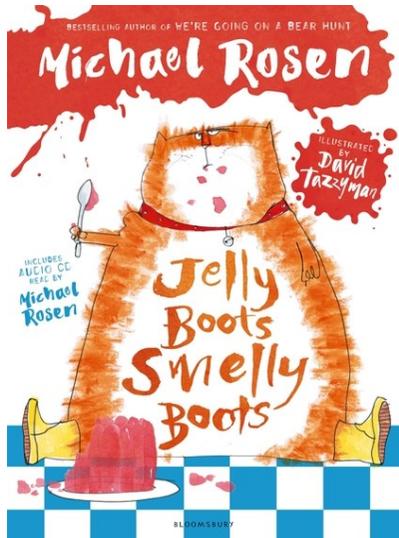

## English

This half term, we will look at a collection of poetry by Michael Rosen called '*Jelly Boots Smelly Boots*'. The aim is to encourage children to delight in language, play with meaning, rhyme and rhythm, and to respond to a range of poems.

This week, we will encourage children to think about what poetry is and how it can be enjoyed. Children will then look at a range of poems from the book, investigating the line breaks, spacing, and repetition.

We will ask the children to consider how these elements feed into their ideas, opinions and understanding of the poem?

Spellings will be sent home on **Thursday 7th June.**

## Maths

**Ms Davies' set:** This week, the children will compare, order and round numbers with up to two decimal places.

**X Tables:** Turbo test, with some missing sections.

**Ms Noorani's set:**

We will carry on with decimal fractions to one decimal place and find fractions of a number.

**X Tables:** division facts related to x12

**Ms Webb's set:** This week, we will add fractions with the same denominator. We will move on to decimals later on in the week.

**X Tables:** 8x 9x 11x 12x

**Mr Chamberlain's set:** This week, the children will compare, order and round numbers with up to two decimal places, and look at problems in context.

**X Tables:** Turbo Test with varying multiples!

**Ms Creamer's set:** This week, we will add fractions with the same denominator, before moving onto investigating decimals later in the week. We will look at writing decimal equivalents of tenths and hundreds.

**X Tables:** Individual Times tables Test & Times Table rock stars – [www.trockstars.com](http://www.trockstars.com)

## DRM

On Thursday, an organisation called Diversity Role Models will run workshops in Year 4. Diversity Role Models is a charity working to eliminate homophobic and transphobic bullying in schools across the UK.

## Science

This week, children will continue to learn about **classification** as a way of grouping living things. Children will classify plants and animals based on a variety of different factors.

## RE

This week, children will learn why a shrine is a special place in a Hindu home. Children will be asked to think about their own special places and what makes them special. We will also look at photos and information about Neasden Hindu Temple as we are visiting the temple on the 26th/27th June.
