

Nursery Weekly Overview

Week beginning 11th June 2018

The Day The Crayons Quit

We have enjoyed reading 'The Day The Crayons Quit'. We have been thinking about different colours and different colours we could use for different things. A pink pirate? An orange dragon? We also spent a lot of time talking about the colour of the sun, yellow or orange?.

Holiday Talk

Lots of the children shared what they did over the holiday. It was interesting to hear all about their adventures.

Water Bottles

There is water available at nursery but if your child brings in their own bottle, please can you ensure it is labelled.

P.E

The children enjoyed jumping from different heights this week. We also played with the balls. Kicking, dribbling, throwing and catching.
