

Nursery Weekly Overview

Week beginning 2nd July 2018

Cultures of Coleridge Week

We have had a busy week celebrating all the different languages spoken in nursery. We still have a couple of more visitors, but a huge thank you to all the parents who have come in to help so far.

Turkish

Selma (Metehan's mum) read us a story in Turkish and taught us some colours.

Portuguese

Kiki (Martha's mum) taught us how to say different fruits in Portuguese and made a fruit salad.

Hebrew

Daphne (Eliya's mum) shared a story about a colourful elephant and taught us how to say different colours in Hebrew. Karina (Naomi's mum) shared a story about Shabbat and brought in some grape juice and challah bread for us to try.

French

Anais (Marley's mum) taught us how to sing head, shoulders, knees and toes in French.
