

8th June 2017

Dear Parents/Carers,

We hope you have had a restful break and are ready for the final half term in Year 1!

Curriculum

Our topic this half-term is 'Flowers and Insects.' We will be learning to identify insects and to learn about the different parts of an insect.

We will be creating new role play areas in our rooms that reflect our new topic. If you think you might have something at home that we could use please do let us know.

As always we try and link our Maths and English learning to this topic too. Please see the Weekly Overviews for more detail. These are displayed in the classrooms and are also available to download on the website.

This half term we will be covering 'drug and alcohol education' which in Year 1 covers how to stay healthy and considering things that are healthy and unhealthy. The children will be learning about how medicines work and who should give medicines.

Year 2

We will be thinking about the transition to Year 2 this half term. The children will have a chance to have their questions about Year 2 answered and we will be discussing what will be the same and what will be different to ensure a smooth transition for our children.

PE Kits

As the weather becomes warmer, we will be doing PE sessions outside. Please can you make sure your child is wearing appropriate footwear on their PE days – **no flip-flops or sandals**, please!

Sports Day

Sports day is on 9th July. We will be busy practising the events and looking forward to the day itself. We always need and welcome volunteers to help us walk down to the sports field and to have a picnic at the end of sports day. If you can help out please let your teacher know.
