

8th June 2018

Dear Parents/Carers,

Welcome back. We hope that you enjoyed your half term break and well rested for the final half term of Year 3.

Curriculum

This half term we will be covering the following units:

English: Non-fiction writing. The children will be looking at different examples of these and identifying the key features and language. They will be researching and writing up their own information page about an animal that can be found in a rainforest.

Maths: We will be completing a unit on statistics and also on telling the time.

Topic: We will be continuing with our topic on the rainforest. This will link closely to our English focus this half on creating an information page for a class book about a rainforest animal.

Science: We continue with our science topic of 'Animals including humans'. We will also complete a unit about plants.

PSHE: We will be preparing the children for the transition to Year 4. We will also be doing some lessons on being different, how to speak to others and naming parts of the body.

Trip to London Zoo

Year 3 will be visiting London Zoo on the following dates:

Friday 13th July.

We will be travelling by public transport.

Please ensure that your child has a packed lunch with plenty of water and is wearing sensible clothing and footwear for being outside all day.
