

## **French Club**

**Days:** Mondays and Thursdays

**Time:**

**Mondays:** 3:15pm – 4:10 pm for Non-French speaking children

**Thursdays:** 3:15 - 4:05 pm for Non-French speaking children from Coleridge

4:15 to 5:15 or 5:45 for Francophone children

**Lead:** Anne & Helene, founders of L'Ecole des Petits Loups and Chimène, Claire, Leila and Valérie as teachers.

**Where:**

Monday: East Library

Thursday: East Library & various.

**Description:**

L'Ecole des petits loups was created in January 2012 by 2 local French mums (one at Coleridge) who wanted their children to have some French culture and education whilst going to English school all week. L'Ecole des petits loups offers classes for French speaking children on Tuesday and Friday in Muswell Hill and on Thursday in Crouch End, at Coleridge Primary School at 4:15.

We have about 160 French speaking children in total. In January 2017, we opened a new section for non-French-speaking children. We want to introduce another language, we also want children to discover another culture, another country, different songs, games... all in a fun way. Our aim is to teach a language and to broaden the mind to other cultures, to stimulate the brains and to get children to like learning different languages.
