Clubdescription:

Year 5 Netball Club takes place in the MUGA on Friday mornings from 8am - 8.45am. It's an introduction to netball, from learning the rules of netball through fun drills and games, to actually playing matches and discovering the power of teamwork. We try to organise games against other schools, as well as enter local tournaments. It is open to both girls and boys.

Apply by email to kym.rawlings@sky.com if you wish your child to join this club, with your child's name and class. Because Kym teaches on her own the club is strictly restricted to 21 children. Kym will let you know if your child has a place, and send you more details of the club before the start date.

Caroline Heartfield runs the Year 6 Netball Club this year, after school on Tuesdays .

Start and end dates for autumn '18 term:
