

Weekly Overview - Monday 19th November - Friday 23rd November 2018

Here is an overview of some of the learning that will be happening this week.

Letters and Sounds

This week we will be learning the sound:

m

We will also learn the 'tricky words':

to and into

Writing

We will be encouraging the children to practise writing the 'tricky word' **to** by making cards for their friends and family.

Our focus with writing at this stage is on the children being motivated and confident to have a go themselves, so we provide lots of writing opportunities for them to use in their play.

Maths

We will be playing lots of games to practise counting accurately up to 20. It is important that the children understand the value of each number, rather than just reciting the numbers in order.

We are also looking at numerals 1 to 20.

Dance

We are beginning to practise a dance for the Christmas Show— Maid Marion and Robin Hood.

There will be more info to follow!
