

Weekly Overview - Monday 10th December - Friday 14th December 2018

Here is an overview of some of the learning that will be happening this week.

Lost and Found

We will continue to think about this Oliver Jeffers story. We will also be finding out information about penguins and their habitat.

The children will have opportunities to investigate and play with ice.

Maths

This week, we will explore addition. We will mostly be doing this practically by counting two groups of objects to find out how many there are altogether.

Letters and Sounds

This week, we will be learning the sounds:

k and u

Dance

Morning performances start at 10am.

Afternoon performances start at 1.30pm.

On the days your child is dancing, please could they wear clothes which are easy to take off (by themselves if possible).

Christmas

We will start to think about different ways people celebrate Christmas.
