

## Coleridge Primary School

Learners for life

CREATIVE, CARING, RESILIENT

Welcome to Coleridge Primary School on behalf of the school's Governing Body.

The Governors are a group of volunteers who assist the senior leaders in running the school. The purpose of a Governing Body is to help the school provide the best possible education for its pupils.

We are a group of volunteers made up of non-parents, parents and members of staff. We play a mainly strategic role supporting the school in its aims, such as ensuring finances are well managed and that all pupils have access to an excellent quality of education. Being a governor is a really rewarding role and we are fortunate to have a few governors that have been helping the school for many years.

I can say from a personal perspective that it's a great honour to be involved with such a wonderful school. The more I have become involved, the more I have understood how very lucky we are to have such a committed passionate staff who are dedicated to our children.

Coleridge really is a very special place and we hope your children will have a really wonderful time here and that they, and you, enjoy being part of the Coleridge Community!

Lorraine Gerrard  
Chair of Governors
