

Hello RO!

I hope you're all ok and are enjoying spending time at home with your family. I'd love to find out about what you're up to, so if you haven't already sent me a message, ask someone at home to help you write one and send me an email.

I know some of you have been making a Spring Diary, as we asked you to last week. I've been going for a walk in the woods most days (as you can see in this photo of me in Highgate Woods – can you see the bluebells?) and I've noticed how much greener all the trees look compared to just two weeks ago. Spring is my favourite season! I wonder if you've been walking in the woods too.

I really miss seeing you all at school every day. I can't wait til we can go back to school - we'll have such a fun time playing together again and chatting.

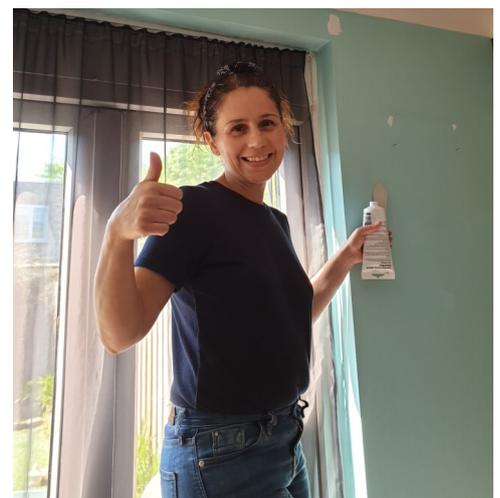

Lots of love,

Ms Daniels

Hello Children,

It's been such a long time since I've seen you all. I miss you all very much!

I thought you might like to know what I've been up to. I've been a very busy bee! I've been doing lots of gardening with my children, baking, taking Callum out on his bike and some DIY. My daughter Rachel took a photo of me while I was filling some small holes in the wall. I just need to sand it down and paint it.

I bet you are all being very kind and helpful at home.

With love from

Deborah xx

Hello RR

I hope you and your family are well and keeping busy. I miss seeing you all every day. I've been talking to Mrs Webb and Charlene, and they are missing you too. I wonder what sort of things you've been doing? Perhaps you could take some photos and email them to us.

Here's a picture of me in my garden. I like sitting there reading a book and having a cup of tea. I've got a new cookery book and made "blueberry oaties" with my son. It's the first time I've ever made something that actually looks like the picture in the book! What do you think?

I hope it won't be too long until we are back at school; digging in the sandpit, building things with the wooden blocks, playing in the home corner, and making a mess with the play dough! The things I miss most are hearing you read, and also being able to read stories to you. Oh, and singing assembly too. I love that!

Love from Judith X

Dear RR,

Hello everyone! Hope you are all keeping well and enjoying as much of the sunshine as you can. I have been speaking to all the teachers and TAs in Reception and we all agree that we miss seeing you every day and are looking forward to seeing you sometime in the future! What have you all been doing? I have been keeping busy with my family, going out for walks, baking and playing board games.

I went for a lovely walk today as you can see in the photo! Hope you are enjoying the activities that we've been sending you.

Sending lots of good wishes to you all, Mrs Webb

Hi RR,

Just a quick message to say hello!

I hope you are enjoying this time at home with your families and doing lots of things that make you happy.

I've been having fun playing with my children at home and helping them with their home learning.

I can't wait to see how tall you have grown and hear all about the great things you have been doing.

Keep smiling and be happy! Charlene :)

Dear RP,

Hello! How are you? I hope you are staying safe and healthy. It is very strange – before the lockdown started, I used to think every morning, “Oh I wish I could stay at home today...” but now I can’t wait to go back to school and to my normal daily routines.

I hope you are keeping yourself busy at home and enjoying playing and doing lots of activities. I have been busy at home. Guess what I have been up to, from this photo! (Clue: 4 different activities)

It is hard and frustrating not to be able to go outside, learn at school, play in the park or see your friends. I’m looking forward to when we can see each other at school again. Until then, enjoy your time with your family at home, remember to be kind to each other.

Thinking of you all. Lots of love,

From Ms Lisle

Hello RP,

I hope you are all doing well and are staying safe. During the lockdown I’ve been learning how to cook new recipes, keeping fit and most importantly, spending more time with my family.

It’s been great hearing from some of you already! I’ve seen some of the lovely things you’ve been making and creating, and it’s put a big smile on my face: keep them coming! Also thank for your messages and letters, I am missing you all so much! I can’t wait till we reunite. Stay strong and see you all again soon, take care.

Lots of love,  
Josephine

Hi RB,

I hope you're all doing well and keeping safe with your families. I have missed each and every one of you and can't wait until we are all back at school together, hopefully soon.

I have been busy and spending time with my boys Arin and Zayn. Helping Arin with his home learning, making play dough, playing board games and enjoying nice walks in the sun. We are getting ready to celebrate Zayn's 3rd birthday next week, so both boys are looking forward to a mini party at home. Sending you all big cuddles.

Be safe and be good at home.

Love Ayse x
