

Nursery: Learning at Home

Happy Easter holidays to you all!

I can't believe it's been two weeks already since we were last at Nursery together. It's not the usual Easter holidays for us all, but I hope you have time to have fun, relax and play with your families. If you celebrate Easter, remember not to eat too many chocolate eggs!! I look forward to speaking to you again after the holidays.

Parents/Carers – Well done, you've made it through to the holidays! Hopefully you can have some time to try and relax! We won't be providing any remote learning for the duration of the holidays, but instead all of our fabulous teachers have put together some fun activities for the children to do. Pick the ones that you think might be suitable for your child and give them a go. We are also encouraging children to have a go at decorating an egg for Easter. Please see the link below for more details. <https://coleridgeprimary.net/easter-egg-decoration-competition-home-edition/>

Ms Munro and Ms Richert, our art teachers, will also be posting art activities and projects for your children to do.

2Simple/Parent Share

You should all have received a message and an email request from 2simple. This is the online program we use to store wow moments of your children. Usually, I would send these to you at the end of the year, but over the coming weeks I will be going through photos and sending them to you. It also allows you to add photos of things that you have been up to at home, which I would love to see. So please click on the link you've been sent, to activate your account.

The Big Coleridge Singalong

We all know how much we love singing in the Nursery. To continue singing with others around the school, Coleridge are setting up a virtual choir. If you would like to join in please click on the link below for more information. You should all have been emailed a password to access the page.
