

Messages from Reception teachers

Hello RO!

Watch a video message from Ms Daniels here: <https://youtu.be/UePbNiPoeK4>

Hello RB,

I hope you are all well and being as kind and helpful at home as you are at school. Some of you have been sending me lovely pictures and messages about what you have been up to - they always put a big smile on my face so please keep sending them everyone!

I have been quite busy as I went into school last week to look after some children whose parents are key workers. They are people who have to go and do very important jobs like nurses, cleaners and looking after people. I have also been busy planting lots of flowers and herbs on my balcony, I am hoping the sunshine comes back soon to help them grow.

I have also been writing lots of letters and sending them to my friends and family who live far away, you can see me posting one in the picture. Do you notice anything different about me in the picture? That's right, I have had a haircut...a very short haircut! I wonder if any of you have had a haircut?

Take care my lovely RB and I will see you all soon.

Mr. Goodey

Hello everyone in RP!

How are you?

It's been six weeks since the lockdown began - I hope you are managing OK at home. The weather hasn't been great for the last few days, but what have you been up to? I have just created a cosy reading area in front of my bookshelf, just like the one in our classroom. As you know already, I love reading children's books, even though I am a grown up, because they are often full of colourful illustrations! (Of course, I do read lots of grown ups' books, too!) Can you see some books we read together in the photo?

I sowed some vegetable seeds last week - look what are growing in the pots! I am hoping to harvest and eat my home grown veggies one day. They are beans, tomatoes and courgettes. Do you like these vegetables?

Josephine and I would love to hear from you all – remember you can email us at reception@coleridgeprimary.net

Stay safe and keep being kind to everyone at home.

Lots of Love from Ms Lisle xxx

Dear RR,

Hello there! How are you all? We've had some lovely pictures and messages sent in this week. Thank you! It's always lovely to see what you have been doing and to see you looking happy and healthy.

What have you all been up to? The sunny weather seems to have left us temporarily! Judith and I will be in school next week and we will be doing a video message to you all—look out for it! The Reception team are always in contact and we are looking forward to seeing you all again.

Please keep sending in anything you do. I love receiving your messages. I have been doing a lot of baking and I think I might be improving! I have to cook without eggs as my husband is allergic to them. Have any of you been baking? Please send in your pictures if you have.

Have a good week and take care.

Mrs Webb,
Judith and
Charlene
