Ben was stood still with the magic watch firmly in his mouth. He hoped the magic would work and take him home. Before the lady or the young boy had time to speak, Ben disappeared. He was gone! His wish had come true.

Ben landed with a thump onto Kit's bedroom floor. Immediately, he rose to his feet and dropped the magic watch. He shook his body. 'What has just happened?' Ben thought. Ben realised he was back home in his **house**.

All of a sudden, Ben heard the front door bang. “We are home!” shouted an excited Sam. Ben wagged his tail and excitedly ran downstairs. He was so pleased to see Sam, Kit, Mum and Dad at the bottom of the stairs.

# Stairs

Ben is so excited to see Kit and Sam that he races down the stairs. Read the words on the stairs as he runs down each one.

“Ben! Ben!” shouted Kit when Ben appeared.

“Wow, boy! Calm down!” said Dad. Excitedly, Ben ran around Kit and Sam’s legs.

“What is going on?” asked Mum.

“I think Ben missed us,” replied Sam.

“I think he has,” smiled Kit.

“We missed you too,” said Sam while lovingly stroking Ben’s back. Ben was wagging his tail. He was so happy to be back in his **house** where he **lived** and be with his favourite people.

When everyone moved into the sitting room, Ben went into the kitchen. He had a drink of water from his doggy bowl. Then, he toddled into the living room to join everyone. Ben lay down on the carpet. He closed his **eyes** and started to think about his adventure.

Ben was happy to be given a drink of water. When he was drinking, Ben could hear a loud hammering sound which was a man making some things from metal. He did not like the sound.

A boy came up to Ben and the lady and said something to her. He was holding up an object. The lady looked surprised when she saw the object.

Quickly, Ben got hold of the object. He wanted to get back to his **house** to be with Kit and Sam. He hoped his wish would come true. It did! He was taken back to where he **lived**.

“Look at Ben,” said Mum pointing in his direction. “You would think that he’s had a busy afternoon.”

“Relaxing in the **house** isn’t exactly hard work,” joked Dad. Just then, Ben let out a little whimper. He was still dreaming about his adventure. If only they knew what Ben had really been up to!

Today, we have  
read 'Ben's Trip  
Back in Time'  
Mini Book  
together.
