

Lesson 1- Activity 2 – Recording Movements

Activity 1A: Write instructions for your partner below, using the words: **left, right, forwards and backwards.**

1. Move ____ step/s _____
2. Move ____ step/s _____
3. Move ____ step/s _____
4. Move ____ step/s _____

Activity 1B: Do it again, except this time write new instructions and then record the movements your partner makes on a grid. Use the grid below and draw their starting position as well as the direction they travel using arrows.
