

Year 6

Remote Learning

To the children,

Hello!

We are really excited to see you coming in to school! We've been doing lots of planning to make sure that everything is ready for your return. The school is going to feel a bit different to how it was in March and we are going to have to get used to a different way of doing things. We have thought hard about the new rules and routines to ensure our return to school is safe and positive. To help you get a head start on some of these changes, we've made a guide and a video for you. It doesn't tell you **everything** that's changed, but it's all you need to know before you come to school.

We have made a change to the way that we set remote learning from now on. We will be uploading the new learning on Tuesday and we will explain it when you are in school. This work will be for you to complete on the days when you are not in school. If you are not returning to school, you will still be able to do this work and there will be links to other activities for you as well. The Wider Curriculum learning is also still available on the website.

Here is the video about returning to school, please watch it and familiarise yourself with it.
<https://youtu.be/tR16qMyPREo>

We also have an exciting new project that we want to let you know about. We will talk about it more when we are in school but for now, have a look at this video:
<https://youtu.be/2nSzR0Z1N60>

We are really enjoying responding to your emails and seeing your work. Don't forget that you can get in touch with us at year6@coleridgeprimary.net

Stay safe and have a lovely week!

Miss Edge, Mr Grimadell, Miss Henry and Mr Skrein

To the parents,

We hope you are all safe and well.

You should all have received an email to let you know which bubble your child will be in for their return to school and details about how to come into school. Please ensure that you read the guidance carefully and prepare your child as best as you can, using the information that we have provided. You should also read the guide to complement the video about returning to school; please watch this with your child and discuss the new routines. The guide can also be found on the website, underneath this letter.

Video guide: <https://youtu.be/tR16qMyPREo>

We are trying to think of ways to mark the end of the year and one of the projects is a leaver's garden. This video explains a little bit about it <https://youtu.be/2nSzR0Z1N60>

Have a good weekend!

Miss Edge, Mr Grimadell, Miss Henry and Mr Skrein
