SPECIAL JOURNEYS-PILGRIMAGE

Over the next few weeks we are going to be finding out about a special type of journey called a **pilgrimage** and explore the places that people (**pilgrims**) go to on a **pilgrimage** and the reasons why they go there.

A PILGRIMAGE is a very special journey to a very special place.

A PILGRIM is a person who goes on that very special journey to visit the very special place.

PILGRIMS go on a PILGRIMAGE for many different reasons.

To search for something, to take part in something, to experience something, to share something, to remember something, to get help with something, to become stronger and better in themselves.

It is not an ordinary journey. It is an extraordinary and very important journey that people often only make once in their lives. All religions have special places where people who belong to that religion go on a special journey to visit.
