

Year 2

Remote Learning

To the children,

Hello Year 2! We hope you all had a lovely week and liked doing the remote learning activities. We love getting your emails and seeing what you've been up to, so keep sending them!

This week, you will be doing some poetry in English and you will continue with learning how to tell the time in maths. The new wider curriculum sheet is also available. Our new topic is 'Clothes' and we have included lots of fun activities for you.

We really enjoyed seeing you at our Zoom chats. It was great to catch up with lots of you and to see your faces! We are holding more chats this Monday and we hope you can make it. Your parents should have received an email from us with the time of your meeting. For those that weren't able to make last week's Zoom catch up, it would be fantastic if you were able to come this week.

You may have heard that Year 2 are being allowed to come back to school for a couple of mornings in July. We are SO, SO excited about this and can't wait to have you back in the classrooms along with some of your friends. Mr Choueke will be sending more information to your parents about your sessions at school so watch this space!

Thank you to everyone who sent in a video greeting to add to the Year 2 video message. Here is the updated message with lots more of your friends! Watch it again and see if you can spot them!

<https://youtu.be/rvUjdkwXn3I>

Your teachers have also each recorded a message for their class:

Miss Ibbotson to 2O - <https://youtu.be/YuFtdhQz75s>

Mr Heidensohn to 2B - https://youtu.be/7FdUa_HmLTw

Mr Ibbotson to 2R - <https://youtu.be/H7WHjMyqwH8>

Ms Creamer to 2P - <https://youtu.be/uw7bwWxv5kk>

Love from,

Ms Creamer, Mr Heidensohn, Miss Ibbotson and Mr Ibbotson

Getting ready for Year 3

Every week in this box there will be something to help you feel a little more confident and prepared for Year 3! This week, we want you to watch this video from Miss Ibbotson: <https://youtu.be/XtMV-hlvzyk>

To the parents,

We hope you are all safe and well. For week 14 remote learning there are new **English**, **maths** and **wider curriculum** lessons. The wider curriculum remote learning covers the next 3 weeks and our new topic is '**Clothes**'. This topic will continue for the rest of the half term. In **English**, the children will be writing some **alliterative poems**. In **maths**, we will be continuing with **time**.

If you require a paper copy of this week's remote learning lessons and resources, please email your child's class teacher at year2@coleridgeprimary.net. They will then arrange for a pack to be printed off for you to collect from the school office on East.

We so enjoyed seeing the children at the Zoom chats last week. Thank you for helping to facilitate these. You should have received an email from your child's class teacher inviting your child to another one on Monday 22nd June. We hope they can make it!

Following on from Mr Choueke's email about the school's plans to get more children back into school before the summer holidays, we are absolutely delighted that Year 2 children are going to be able to come in for a couple of morning sessions during the week beginning 6th July. During these sessions they will be able to spend time with their teacher in their classroom with lots of their friends. We have started to plan fun activities for the children on those days and we will spend a good amount of time talking about the transition to Year 3. Unfortunately the children will not be able to visit Coleridge West on their mornings in school so we hope the 'Getting ready for Year 3' videos that we are recording will continue to help prepare the children for the move too.

Best wishes,

Ms. Creamer, Mr. Heidensohn, Miss Ibbotson and Mr Ibbotson
