

8th June 2020

Message to parents

Dear Parents,

Welcome back, I hope you all had a lovely week in the glorious sunshine! As you will have heard, schools are beginning to open up for Reception, Year 1 and Year 6 children over the next few weeks. We are currently working together to develop a plan to see if we can open the Nursery safely for the last few weeks of term from the end of June. An email will be sent to you with more information, along with a survey to be completed by Monday 8th June.

One of the most important things we plan for in the final half term is to prepare children for their transition to Reception, therefore we are looking at different ways to prepare your child for when they start Primary School. BBC bitesize has a fantastic page which includes lots of activities and information sheets for you and your child. Please follow the link below.

<https://www.bbc.co.uk/bitesize/collections/starting-primary-school/1>

I am also available for any questions you have so please get in touch via the Nursery email address nursery@coleridgeprimary.net

To accompany the remote learning this week, please read tips and information on how to help children self- regulate and why it is important.

<https://hes-extraordinary.com/improve-emotional-regulation-just-7-minutes-per-day?fbclid=IwAR3i8s9sA98bmMXZdcTQZqJoLJBOS23pCeGiZMmNlnzP1ykHwREGCwCORvc>

For the baking activity, try to let your child make the biscuits by themselves by allowing them to count the number of tablespoons and follow the instructions. If they don't turn out as planned, that's ok, it's important that children try to work out what they did wrong and what they need to do to improve them next time. For example; if the dough is too sticky, they will need to add more flour. I look forward to seeing some photos.

Best Wishes

Mrs Goodey
