Message to parents

Dear Parents,

I can't believe it's the final week of term. It's been a very different and challenging few months for everyone, but I hope that you all get some time to enjoy the summer holidays with your families. We are very sad that we didn't get the chance to spend the whole year with your children, they are such an amazing group of children, who have been an absolute pleasure to teach.

We are so grateful that we got a chance to spend more time with some of the children again. When we reopened the Nursery, it was amazing to see all of those lovely smiles entering through the doors, and to see the children so excited to see their friends and teachers, after being apart for so long. The children are an inspiration to be around and it's made me realise why I love my job so much. You have all been fantastic, supportive parents throughout the year, and I will miss both you and your children very much.

I would like to wish all of the children going to different primary schools the best of luck, and to those who are joining Coleridge, I look forward to seeing you in the Reception playground.

Please make sure your children watch the videos of their new teachers over the summer.

Thank you again for all of your support and kindness throughout the year. Have a lovely summer.

Best Wishes

Mrs Goodey
