Sam had worked out that Patch was getting some of her magic from her crutch which she carried with her everywhere. "It's a bit odd," said Kit. "But after what you saw, it does make sense."

Hansel and Gretel glanced at each other. “It looks a lot like the crutch that Patch’s wicked sister used,” said Gretel. “I wonder whether some of her magic is in it. Maybe that is what is making Patch so strong!”

“I think I have a plan,” said Gretel. “We’ll need to get to work right away.” Gretel whispered her plan to the others. They all agreed that it was a good one. “We’ll need some equipment,” said Hansel. “Let’s make a list.”

Hansel tells the others what they will need and they make a list. Click the speech bubble and write down the words that Hansel says.

The Plan

1. We will **stitch** some sheets together.
2. Then, we will dig a **ditch** to cover up with sheets, leaves and grass.
3. Patch goes to market each **Wednesday**.
4. When the **witch** leaves the house, she will fall into the ditch.
5. We will switch her **crutch** with our Dad's crutch.

The children got to work on the plan straight away. Hansel and Gretel went back home to fetch supplies from their kitchen while Sam and Kit got to work digging the ditch with an old spade from the gingerbread house.

Sentence Time

Soon enough, the plan is ready to put into action. What does Hansel think will happen? Look at the picture and write a sentence to match.

On **Wednesday**, we will switch the witch's
crutch and take away her power.

Soon, everything was ready. The ditch had been dug, covered with blankets and topped with leaves. Hansel and Gretel even had their dad's crutch which was ready to be switched with Patch's crutch. The children waited for Patch to leave for Wednesday's market.

Suddenly, the door flung open. Kit, Sam, Hansel and Gretel held their breath and waited to see what would happen. "Here we go," whispered Kit excitedly.
