

Year 2 Remote Learning

To the parents,

We hope you had a good week and your child/ren enjoyed coming into school for their sessions if they were able to. This will be the last full week of Remote Learning as next week we will just be sending home 2 days worth to take you up to the end of term on the 21st July. In **English** the children will be writing a **Haiku poem** and in **maths** they will be doing a mix of topics including **symmetry, number bonds to 100** and some revision of **division**.

If you require a paper copy of this week's remote learning lessons and resources, please email your child's class teacher at year2@coleridgeprimary.net. They will then arrange for a pack to be printed off for you to collect from the school office on East.

Each teacher has recorded a message for their class:

Ms Creamer to 2P - <https://youtu.be/JWgmNNDBAR4>

Mr Heidensohn to 2B - <https://www.youtube.com/watch?v=aOoVVbddH9E>

This week, 2B also recorded a couple of singing videos:

We wanted to say a big **THANK YOU** for engaging so fully with the learning we have been sending home since the school closed in March. We have all been so incredibly impressed with the level of learning that the children have done at home. With your own jobs, children learning at home and a pandemic going on it hasn't been easy for anyone, and we are very hopeful that September will look a bit more normal for the children and yourselves.

All children who were in school last week were sent home with a folder containing all of their Year 2 work and books. **If your child was not able to attend school then their folder can be collected from the school office on East.** Each child also made a 'Moving to Year 3' booklet whilst in school and for the children who weren't in, their teacher has made one for them. You will find this booklet in their folder when you come to collect it. Please have a look at this book over the holidays, especially if your child is feeling worried about the start of the new school year in September. **Please see below for a video message from your child's new Year 3 teacher.**

We have now collected back all the books that were donated for the book swap. If you lent any books for this event, you can pick them up from noon on Monday 13th July. We shall leave these by the East office all week for collection.

All teachers will be doing one last Zoom chat with their class over the next week to say a final goodbye before the holidays. Your child's class teacher will be in touch regarding the details. Please look out for this email. We understand that communicating via Zoom can be unnatural and uncomfortable for some children so we totally understand if they would rather not attend.

Best wishes,

Ms. Creamer, Mr. Heidensohn, Miss Ibbotson and Mr Ibbotson
