

Nursery: Learning at Home

Hello, this is my final remote learning! I can't believe it's the end of term. I just want to say it's been a pleasure teaching all of you this year. I hope that you all have a wonderful summer with your families. I look forward to seeing some of you in the Reception playground in September.

About Me!

You will all know by now who your new Reception teachers are for next year. I'm sure that they are really excited to meet you all. Can you make a poster or a booklet telling your new teacher about yourself? You could draw/paint a picture of your family, or you could take photographs of your family and some of the things that you like to do. On your first day back, you could show your finished poster/booklet to your new teacher.

Play, Play, Play!

The most important thing you can do this summer is to play, play, play! If you can, then play with your brothers and sisters, cousins, or friends. Remember that when you are playing to always practise good sharing. Try to play outside as much as you can, use your imagination to come up with a new game. You might want to play the big bad wolf game that you play at Nursery, or pretend to be a pirate or a unicorn, or use your imagination to create a character. You could even make props or masks to use in your play. Most of all, remember to have lots of fun!!!

Starting Reception!

If you are joining Coleridge Reception, please make sure that you look at the videos below that your new teachers have made for you. We haven't been able to visit the Reception classrooms or the teachers this year so the videos will help you to become familiar with your new teacher.
