

Year 2 Remote Learning

To the parents,

You'll all probably be very relieved to know that this is the last remote learning letter we will be sending out in Year 2! In September, all children will be returning to school full time and we will (hopefully) be returning to some normality. All the Year 2 teachers would like to thank you for all the amazing work you have done with your child during this difficult time.

The year officially ends on Tuesday 21st July so we have provided 2 days worth of English and Maths lessons. In English, children will be watching a fantastic online production of **Anansi and the Pot of Wisdom** by **The Unicorn Theatre** and then creating their own book of the story. In Maths, children will solve calculations to crack some codes and will then practise their calculation skills in an online game.

Children can still send us their remote learning (year2@coleridgeprimary.net). But please note that we will be closing down the Year 2 email address on **Thursday 23rd July** so please make sure children send any emails by this date.

If you require a paper copy of this week's remote learning lessons and resources, please email your child's class teacher at year2@coleridgeprimary.net. They will then arrange for a pack to be printed off for you to collect from the school office on East.

All children who were in school 2 weeks ago were sent home with a folder containing all of their Year 2 work and books. **If your child was not able to attend school then their folder can still be collected from the school office on East.**

If your child hasn't watched it yet, then we really recommend that they watch a **video message from their new Year 3 teacher**. These will be available to watch throughout the summer and might be good for your child to watch just before they return to school in September. Each child also made a 'Moving to Year 3' booklet. If your child is feeling nervous about the restart in September then reading this book can help alleviate these nerves.

We all just want to say a big thank you for all your support this year. We have loved teaching your children and although we were sad not to complete the year in school with them, we still had a fantastic time. We have really enjoyed receiving their emails and seeing them on Zoom during the last part of the year. Have a wonderful and well deserved Remote Learning free summer! Hopefully we shall see you all around school next year.

Here are some goodbye messages from the teachers:
