Mario	Games Tag Rugby		Games Invasion games: Hockey		Athletics Decathlon	
Jason	Gymnastics Counter-balance and Counter-tension		OAA Co-operation, Communication and Consideration		Games Striking and Fielding	

Notes for year groups	
If doing dance, you will need to use Hall 1. If using gymnastics apparatus, then use Hall 2.	
Please stick to the above order of units as the curriculum has been designed so that there is space in the halls for dance and gymnastics lessons to happen i.e., two different year groups will never be doing dance or gymnastics at the same time.	
Year 1 - 6 will also take part in OAA and water safety lessons during Healthy Living Week.	
Year 5	Swimming lessons, count as your P.E lessons for that term.
3P and 4P Friday PM (W1) Autumn 1 6R and 4R Wednesday PM (W2)	You may need to change your order of units as you will not both be able to do dance at the same time unless you use the dance studio. This may also be the case with gymnastics lessons as Hall 2 has the majority of gymnastics apparatus.

Other Ideas

Every year group does a dance from a different country or culture each year
