

Nursery Newsletter - February 2024

Dear Parents and Carers,

We are all looking forward to this half term and hopefully some warmer spring weather. Thank you to everyone who attended our first stay and play session. The children loved having you all here. We will be organising another one which will take place towards the end of this half term. I will send a date out soon.

Spare Clothes

We are running quite low on our spare clothes. If you have any age 3-4, 4-5 trousers, leggings or joggers that you would be happy to donate we would be very grateful.

Punctuality

Please be reminded that collection time for Nursery is **3pm** for children who do not stay for extended day. We would appreciate it if you could make sure that you collect on time as we have children in the Nursery after 3pm and we like to close the door as soon as possible. If you are running late, please call the office to let them know.

Gardening

We are really looking forward to when we can start planting again. We really like the children to be involved with the whole growing process and learn about what we have to do to help our plants grow. We would like to grow some fruits and vegetables this year and would be grateful for any donations of seeds or small plants you may have. We won't start planting until after Easter but if you would like to donate anything in advance, please let a member of staff know.

Dates for your diary

Thursday 7th March – World Book Day. Children can dress up as their favourite book character. More information about the day will be sent out soon.

Friday 15th March – INSET day (school closed for all children).

Nursery Parent meetings: Monday 25th March and Wednesday 27th March - Daytime appointments will be face-to-face and evening appointments will be online on *SchoolCloud*. More information on how to sign up will be provided nearer the time.

If you have any questions regarding your child or the Nursery please speak to a member of the Nursery team.

Thank you
The Nursery Team
