

## Year 6 Newsletter - June 2024

Dear Parents and Carers,

The year has gone by so quickly! It has been so lovely seeing how much the children have grown and thrived.

### Curriculum

Information about the content of English and Maths lessons can be found in the **Weekly Overview**, which will be put on to Parent Hub every Friday afternoon. We encourage you to look at this so that you can talk to your child about what they are doing each week, and support their learning in these areas where possible.

**English** – The weekly overview will provide more information each week. Spellings will be sent home weekly in your child’s spelling book, and spelling tests will take place every Friday.

**Maths** – A brief overview of the areas of learning for each week will be on the Weekly Overview.

**History** – ‘World War II’

**Geography** – ‘Fieldwork’

**Computing** – ‘Capturing Evidence’ and ‘Bletchley Park’

**Religions and world views** – ‘What do People Believe?’

**PE** – Jason Bichri and Mario Vitrano will be teaching each class Athletics once a week. The classes will also be doing Cricket and Gaelic Football with professional coaches.

**Art** – this is taught by Gemma Curtis every fortnight.
