A CRABTASTIC FUTURE IS IN YOUR REACH!

DEMOCRABS

Environment

The Democrabs are promising £75 for much needed wildlife support. With this money we will buy:

A bird, butterfly, insect and bee sanctuary

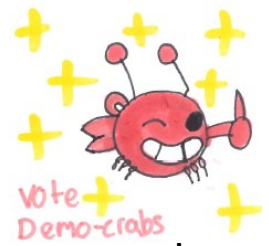

An extra large insect hotel

2000 lavender seeds to plant around our school

A number of birdhouses that classes can hand paint before they are put up.

Active playground

The Democrabs understand that you need to be active! To help our school become a more active place, we pledge £75 towards:

An adjustable volleyball net

3 volleyballs

A supply of goalkeeper gloves for playtime and lunchtime football

Charity

We at the Democrabs understand how lucky we are at this school. We believe it is important to think about others in need too. We will donate £50 to our local foodbank charity to make an important difference to the lives of others.
