

September 2025

Dear Parents/Carers,

Welcome to Year 2. We hope you all had a lovely summer and are looking forward to the year ahead.

The Year 2 team this year is:

2B – Rochelle Felstead

2O – Kate Ibbotson and Lizzie Davies

2P – Kirsten Schmidt

2R – Jessica Razimbaud (Year team leader)

Our Year 2 TAs this year are Adriana Idrobo, Charlie Hambis, Ratiba Berrabah and Nicola Emms.

Also working with Year 2 every other week will be Sarah Crawford (art), Jason Bichri (computing) and Mario Vitrano (PE).

Our learning this half-term:

English

In **English**, the children will be concentrating on sentence writing with a focus on using nouns, verbs and adjectives to create interesting sentences. Children will learn to use conjunctions correctly.

Maths

In **maths**, we will focus on counting and ordering numbers, odd and even numbers, number facts and place value up to 100. We will also add and subtract numbers within 20.

Topic

Our **topic** this half term is **Our Local Area: Crouch End**. This will be a Geography topic. We will look at and understand maps of the school and local area, as well as create our own maps that include a key. We will learn about the physical and human features of our local area, and make comparisons to cities and villages in other continents.

Science

Our **science** topic is '**Living things and their habitats**'. We will distinguish between living and non-living things. We will look at a range of different animal habitats around the world.

PE

Please ensure your child comes to school wearing trainers and clothes suitable for PE (leggings, tracksuit bottoms or shorts are all fine). The children have PE twice each week, but the days vary on a fortnightly basis:

2B – Week 1 - Tuesday and Thursday. Week 2 - Tuesday and Wednesday.

2R – Week 1 - Tuesday and Thursday. Week 2 - Tuesday and Wednesday.

2O – Week 1 - Monday and Wednesday. Week 2 – Thursday and Friday.

2P – Week 1 – Monday and Thursday. Week 2 – Tuesday and Thursday.

Over the two weeks, one PE session will be with Mario Vitrano, and three PE sessions will be with the class teacher. In PE this half term, we will be practising the basic skills of throwing and catching, as well as doing gymnastics involving low and high movements.

Reading

In Year 2, children participate in guided reading sessions led by the class teacher. During a guided reading session, small groups of children take it in turns to read aloud and then collectively discuss the text. The sessions usually last 25-30 minutes and happen once a week. On your child's reading day, we will collect, and then send home, new books for your child to read. Please try to read with your child at home; ideally for at least 10 minutes daily, as this will have a pronounced effect on their progress. Any child still in the early stages of reading, will continue to receive 1:1 reading support. We will no longer write weekly in your child's reading diary, although we will sometimes add comments about specific progress made, or areas to work on at home. We will also hear your child read 1:1 during the penultimate week of each half term. We will let you know once we have finalised reading days.

Library

Your child will get to visit the school library once a week, where they can check out a library book and take it home. Please ensure your child returns their library book every week, as they will not be able to scan out a new one until the previous one is returned.

Library days: **2B - Wednesday**, **2O - Wednesday**, **2P - Thursday**, **2R - Friday**

Spellings

At the start of each week, children will be given six spellings to learn. These words will also be put on Parent Hub every Friday evening for the following week. Over the course of each week, we practise spelling these words in class and have an informal spelling quiz every Friday. As with reading, children's spelling can be dramatically improved with regular practice at home.

Handwriting

Children will be learning the cursive script in Year 2. We will begin by learning to use lead-in strokes for each letter, before starting to join different letters and we will encourage children who are ready to use joined up handwriting by the end of Year 2.

Home Learning

Home Learning can be found on our website and will be sent out on ParentHub. Please encourage and help your child to complete some of the Home Learning activities.

Year 2 Curriculum Chat

Our Curriculum Chat will take place on **Wednesday 17th September** at **9am**. If you are unable to attend, the presentation slides will be uploaded on to the school website for you to read through.

Weekly Overview

Information about what we are focusing on each week can be found in the **Weekly Overview** which will be put on Parent Hub each Friday evening. We encourage you to look at this each week so you can talk to your child about what they are doing in class, and support their learning in these areas where possible.

Drop off and Pick up

Registration is at **8.50am** and all children should be in class by this time. Children can come into school from **8.45am** and the door will be locked at **8.50am**. There will always be a Year 2 teacher at the door to greet your child. Please ensure your child arrives on time; lateness can be unsettling for

Headteacher Leon Choueke

children. If you are late, please register your child at the office. If your usual pick-up arrangement differs from normal then please let us know at the start of the day. If plans change during the day then please phone the office to let us know.

At the end of the day, 2R and 2P will go to the Haslemere playground to be collected. 2B and 2O will be in the Waverley playground to be collected. Please ensure that your child is dismissed by the teacher/TA before leaving.

Water Bottles

It is really important your child brings in a water bottle every day. Please make sure your child's water bottle is clearly labelled.

Belongings and school environment

Where possible, please label your child's belongings so we can return them in case they are misplaced. Please also talk to your child about looking after their belongings and school environment.

Trips

We are in the process of booking trips this year. Year 2 will be going to Tower Bridge in June, and taking part in a habitats and pond dipping session, most likely in April or May. We will also be arranging a third trip, donation-dependant. More details will be sent closer to the time.

Medical conditions & food allergies/intolerances

It is vital that we have accurate information about any medical conditions or food allergies/intolerances your child may have. Please report any changes to the school office.

Absence

If your child is absent from school due to illness or any other reason, please make sure to notify us before 8:50am. You can report the absence via ParentHub, phone, or email us at admin@coleridgeprimary.net, stating the reason for the absence. This is for safeguarding reasons and your child is at risk of having an 'unauthorised absence' if we do not know the reason. If you need to request additional time off school for your child then you must fill in an 'Application for pupil leave of absence during term time' form, available at either office. These will be considered on an individual basis; however please bear in mind that we do not authorise absences for holidays during term time.

If you have any questions or queries then please do not hesitate to make an appointment to speak to your child's class teacher. You can do this by emailing the school office - admin@coleridgeprimary.net.

We are really looking forward to a happy and successful year.

Yours sincerely,
The Year 2 Team
