

Nursery Newsletter – February 2026

Dear Parents and Carers,

Welcome back to Nursery, we hope you all had a lovely half term break. We are all looking forward to some warmer spring weather this half term! Thank you again to everyone who attended our first stay and play session, the children loved having you all here. We will be organising another one which will take place just after the Easter break, we will send out a date over the next few weeks.

Punctuality

Please be reminded that collection time for Nursery is between 3- 3:10pm for children who do not stay for extended day. We would appreciate it if you could make sure that you collect on time as we have to oversee the extended day provision and waiting for a late parent keeps a member of staff from doing this. If you are running late, please call the office to let them know.

Gardening

We are really looking forward to when we can start planting again. We like the children to be involved in the growing process and learn practically about how plants grow. We would like to grow some fruits, vegetables, herbs and flowers this year and would be grateful for any donations of seeds or small plants you may have. We also need any old tools or ceramic pots you have lying around at home. If you would like to donate anything, please let a member of staff know in advance.

World Book Day- Book Sale

Thursday 5th March is World Book Day. This is an event that takes place across the whole school to celebrate reading and promote a love of books. Over the years we have been donated lots of books that we just don't have room to store anymore, therefore we will be having a Nursery Book Sale from 3-3:30 just outside of our doors. Every book will be 50p and all the money will go to buying new books for our Nursery!

Nursery Parent meetings:

On **Monday 23rd** and **Tuesday 24th March**, Nursery parent consultations will take place. Across the school, this parents evening is always virtual and there are online appointments only via SchoolCloud. However, in Nursery, daytime appointments will be face-to-face and evening appointments will be online only. More information on how to sign up to SchoolCloud will be provided nearer the time. If you have any questions regarding your child or the Nursery, please don't wait for Parents Evening. You can speak to a member of the Nursery team at drop off/pick up and if needed, we can arrange a phone call or face to face meeting at a later time.

Dates for your diary

Thursday 5th March – World Book Day. Children can dress up as their favourite book character. Please no costumes that have swords or gun props with them. There are also lots of costumes in the Nursery that children can use for the day.

Friday 13th March – INSET day (school closed for all children).
