#### Sound Hunt!

This half term, we are learning and revisiting these sounds:

Can you spot any people, places, things or activities that contain these sounds? For example, a bird, toy, beads etc. Take, or draw, a picture and label it with the word.

### Tricky Words

We will practise lots of tricky words (high frequency words) this half term:

Do you think you can write some sentences using some of these tricky words:

like	you	she
so	they	should
