

How to log on to Busy Things as a student, from home.

Go to <https://www.busythings.co.uk/play>, and select sign in with Google.

A box will pop up, asking for your child's Google login, which the school can provide for you if you don't know it already.

First we need to enter the login in the long form, so astudent4.309@gsuite.coleridgeprimary.net (for example, your child's login will be individual to them).

The screenshot shows a web browser window titled "Sign in - Google Accounts - Google Chrome". The address bar shows the URL "accounts.google.com/v3/signin/identifier?opparams=%253Fgis_para...". The page content includes the Google logo, the text "Sign in with Google", and a cartoon character logo for "Busy Things". Below this is the heading "Sign in" followed by "to continue to Busy Things". A text input field labeled "Email or phone" contains the email address "astudent4.309@gsuite.coleridgeprimary.net". Below the input field is a link "Forgot email?". Further down, there is a link to "Privacy Policy" and "Terms of Service". At the bottom left is a link "Create account" and at the bottom right is a blue button labeled "Next".

Before using this app, you can review Busy Things's [Privacy Policy](#) and [Terms of Service](#).

[Create account](#) [Next](#)

The next screen will ask for your child's LGfL login, which is the short form of your child's login, for example **astudent4.309**, and your password, then click Login.

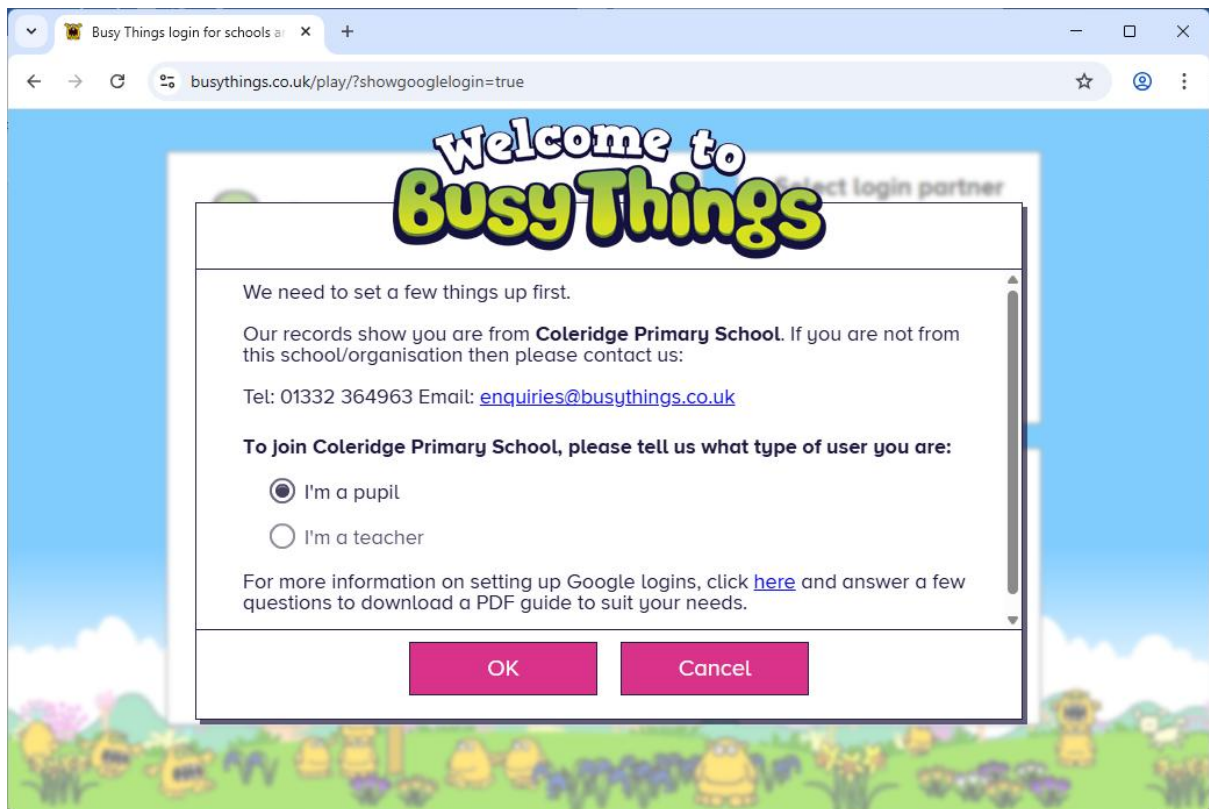

The screenshot shows a web browser window titled "USO login - Google Chrome". The address bar displays the URL "idp3.lgfl.org.uk/idp/profile/SAML2/Redirect/SSO?execution=e2s1". The main content area features the LGfL logo at the top, which consists of the text "LGfL" in white on a red background, with a small heart icon to the right and the tagline "THE NATIONAL GRID FOR LEARNING" below. Below the logo is a red padlock icon with the letters "USO" in white. The text "Please enter your USO username and password, then click the Login button." is displayed. A grey button labeled "Unified Sign On" is positioned above the username input field. The username field contains the text "astudent4.309". The password field is masked with seven dots. A large green button labeled "Login" is centered below the input fields. At the bottom of the page, there is a blue hyperlink that reads "Forgotten username/password?".

Click continue on the next screen to agree to Busy Things seeing your child's name and email address.

Nearly there!

Click OK to say you are logging on as a pupil.

Busy Things login for schools

busythings.co.uk/play/?showgooglelogin=true

Welcome to Busy Things

Select login partner

We need to set a few things up first.

Our records show you are from **Coleridge Primary School**. If you are not from this school/organisation then please contact us:

Tel: 01332 364963 Email: enquiries@busythings.co.uk

To join Coleridge Primary School, please tell us what type of user you are:

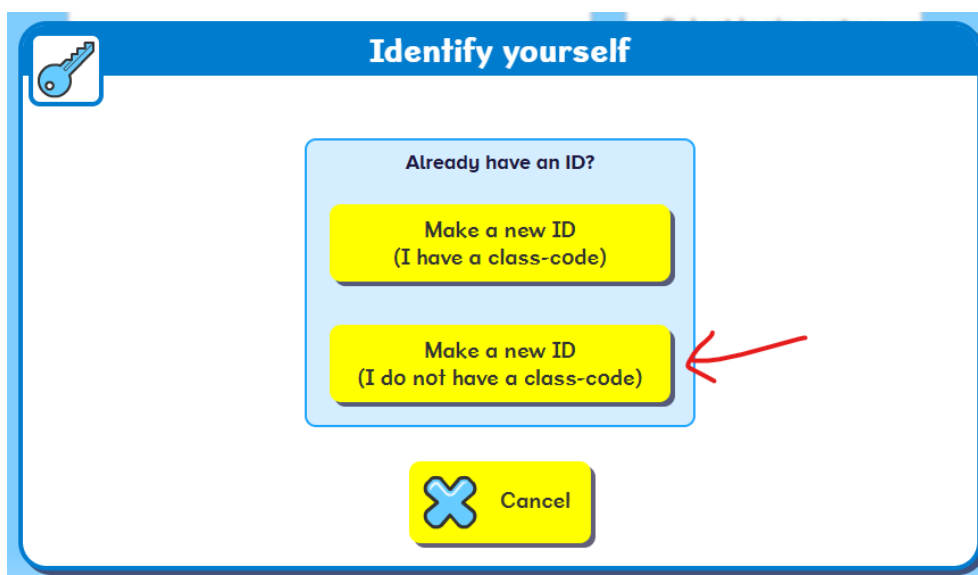

☒ I'm a pupil

☐ I'm a teacher

For more information on setting up Google logins, click [here](#) and answer a few questions to download a PDF guide to suit your needs.

OK Cancel

Choose to make a new ID (you do not have a class code).

You can now enter your child's name, and a nickname, and create an avatar if you like.

Or you can leave it as the defaults, and just click OK to enter.

Create your identity

You haven't entered a class-code, so you won't join your class yet. You can enter your class-code later in the My Busy Things area.

My Busy Body

Click to make your Busy Body.
