1. Head's welcome & thanks
2. Chair's update since the last meeting:
 - a. Welcome to New Committee Members, with a reminder of CF's remit and overview of the filled roles and opportunities

 - c. Amazon wishlists are live and doing well again, discussion over whether these could be used for events particularly for those who cannot volunteer as a way to contribute to the event's success
 - d. Safeguarding update: formalising the Chair's role as Designated Safeguarding Lead for CF, and meeting with the school Wellbeing Lead, Kirstie Henry, to make sure we are up-to-date on safeguarding protocols and online safety, for example not featuring children's photos on social and our webpage, as well as adding copy about medications to our

event information and volunteer briefings (building on work around allergy awareness)

- e. Finances update and discussion of requests for outdoor improvements and a look at fundraising numbers focusing on climate resilience planning (SLT to work with Haringey on the indoor cooling while CF is within its remit to improve the playspaces and help with shading efforts in the playground)
3. Treasury updates:
 - a. Financial position & forecast discussion - Friday 2nd & 16th October 2026, 9am, planned

5. Reps & recruitment update: a kickoff was held and we have a coordinator for each side of the school. We're escalating a few issues and feedback from the groups at the moment.
